Here's a farewell from an English Friend

To you all at FTA.

I would like to say many thanks for all your help and friendship that I've enjoyed over the years, especially to the lads and lasses in the Melbourne/Grant area, who have been a great help with the bike and the transport. I'm very sad that my last ride on 6th Feb 06 due to the fact, we are unable to visit over here again due to our Health insurance being too expensive. We've been visiting the USA for 14 years, so we will miss you all, the sand, rocks and sunshine, also the many happy hours I've spent with you all. Good riding to you all and keep your feet up! Yours ENGLISH DAVE.

(Dave, we've enjoyed your company too. Best of luck!)

Round 6 Hard Rock Ocala

Things looked pretty gloomy with (2) solid days of rain before the event. Mark Waller and the West Coast Club stuck it

out through the mud and put together (8) nice sections and conditions went from not that bad in the morning to really good by the end of the event.

Tyler Burnette put down another win in the beginner with Mike Van Hoten 17 points behind. Phil D'Agati got his first win of the season in a very close Novice class with Brian Jones Jr. 1 point behind in Second and Chad Jatco 1 point behind Brian on his Bultaco.

Clark Myers and Janecek were only one point apart in first and second in Intermediate with Chip Golden only (4) points behind in third.

Jeff Myers pulled off an impressive 11 point win in Sportsman with veteran Tony Ham winning the tie breaker with English Dave Radford for 2nd place. This is a very competitive class and I am sure these guys will be relieved when Dave Radford moves back to England!

Brian Jones took home another win in Sportsman A, narrowly beating out Brooks Duncan by one point and Jack Hutson rounding out the top 3 in this talent filled class.

John Farish narrowly missed his first win this year in Advanced, but Tim Cone saved his day with a balancing stall and restart in section 1, Karl Davis Jr. finished only (2) points behind in third.

Most of the lines for classes were eased up some to compensate for the wet conditions but Marc Waller must have forgot to ease up the expert lines! These guys hopped, zapped and climbed their way through the (8) sections to some unusually high scores for an eight section event. Even Chuck Walker had 24 points for this 6th win in six events. Bob Micket

pulled off an impressive 2nd and the youngest member of the class, Matt Cullum, rounded out the top 3.

As with most of our events it was good to see some new faces and we hope to see those riders come out and ride some of our other events like the Fun in the Sun.
